

All on a Starry Night

Tekst og melodi: Eddie Pola & George Wyle

Arrangement: Kirby Shaw

Long ago on a starry night
Love came down to touch the earth
Blessing all with holy light
at the Saviors birth
Underneath a cloudless sky
Angels sing a lullaby
Words of peace to human kind
All on a starry night

Glory be to God in the highest
Peace and joy to all
Come and worship, come and worship
wondrous is the call

Shepards heard the music
sounding from above
falling like a gentle snow
filling all the earth with songs of love

Long ago on a starry night
Love came down to touch the earth
Blessing all with holy light
at the Saviors birth
Underneath a cloudless sky
Angels sing a lullaby
Words of peace to human kind
All on a starry night
All on a starry night

Silent night – holy night

All on a Starry night
